EXPERIENCE

08/2023 - Current

Front-End Tech Lead - Olio

A growing B2C/B2B scale-up focused on food redistribution. Joined when the company had <20 employees; contributed across its growth to 100+ employees and millions of users.

- Led the Schedule Grouping rearchitecture-one of the largest front-end initiatives-reducing volunteer confusion and pickup errors by simplifying how collections are displayed
- Mentored 3-5 engineers through pairing and code reviews; engineers I mentored were promoted and became confident feature owners
- Extended platform from Olio volunteers to charity volunteers, enabling a new business line and increasing volunteer capacity
- Built partner collection tools used by supermarkets to manage food redistribution, directly supporting B2B revenue growth
- Improved DX across repositories (TypeScript strictness, ESLint automation, environment fixes), reducing onboarding time and increasing team velocity
- Prototyped partner platform concept in hackathon that later informed production features and the Sainsbury's partnership
- Interviewed candidates and contributed to hiring decisions, helping grow the front-end team
- Strong IC: wrote code daily, unblocked teammates, and owned releases

09/2018 - 08/2023

Senior Front-End Developer - Olio

- Promoted from Mid-Level to Senior within 1 year based on impact and ownership
- Shipped React Native MVP in 3 months with a small team, establishing the mobile app now used by millions
- Owned mobile release process for 4+ years, coordinating weekly releases to iOS and Android
- Key architect during Rails' React migration of Volunteers platform, establishing patterns still used today
- Spoke at React Conf 2019 about our React Native journey, representing Olio to the developer community

01/2017 - 01/2018

Front-End & App Developer - Esquared Technologies

- Delivered features on an Angular2 app, working closely with founders and designers

01/2016 - 12/2017

Web Developer - Cult Beauty

- Built UI features and improved performance for a high-traffic e-commerce site

01/2015 - 12/2016
